importantly, what they do not want there.

The Parish Council therefore kindly invite comments and suggestions from any user of the play park, parent or nearby resident to be sent to the Parish Clerk, Mrs Barbara Herbert, whose contact details are listed above, stating in what capacity they write.

NORTHWOOD HOUSE (Paul Fuller Tel: 01983 289595)

On the *Village Forum* there has been much comment made on the Future of Northwood House and Park.

In April the *Friends of Northwood House* resurrected itself to safeguard the grounds and house for the local community. If you wish to become involved, or just require more information please contact Paul Taylor on 01983 295222.

FINANCIAL TIP OF THE MONTH (Colin Cramp Tel: 01983 289996)

Summer is here and tens of thousands of visitors come to the Isle of Wight. But among them are pickpockets. PROFESSIONAL PICKPOCKETS. So this time of year you need to be particularly careful. Be suspicious of any strangers coming too close to you, or even bumping into you. At all times keep your mind, and your eye if appropriate, on your small bags, purses, wallets, mobile phones, and any other valuables on your person. And keep them out of sight if you can. Finally, if you know you have been pick-pocketed, report it to the police as soon as possible, and check if there is any CCTV / security camera footage.

CANINE EXCRETION (Colin Cramp Tel: 01983 289996)

Following complaints from Medham residents, Northwood Parish Council, at the meeting on June 1st, agreed to write to the Isle of Wight Council requesting them to erect, at the junction with the cycleway, a sign warning dog walkers to pick up the poo or they could face a fine.

Dog poo is a nuisance and it is associated with various diseases including 'toxocara canis'. Toxocara canis is a roundworm found in dogs. Roundworm eggs are found in dog poo, which can easily be picked up by young children. This causes stomach upsets, sore throats, asthma and in rare cases blindness. The eggs can remain active in the soil for many years, long after the dog poo has weathered away.

LOCAL GOVERNMENT ... An Obvious Gap.

(Graham Cotterill Tel: 01983 299008)

As a recent member of the Parish Council I am still in the process of learning all the little nuances that make up a Parish Council. What strikes me is the gap between those who have put themselves forward to represent the community they live in, and the remainder of residents who in the main are reserved, no apathetic, at any attempt to improve or change areas of their lives for the better.

The voices that are heard are usually of the 'if it's not broken don't fix it' brigade, then there are those who oppose any decision whether good or not so good for the sole reason that they are against 'local busy bodies' interfering in their lives.

In any community there are the young ... ranging from the early teenagers bent on expressing themselves in whatever manner they see fit. Then there are the majority of youngsters who are at a loss how to occupy their minds during their

Please tell our advertisers that you saw them in NORTHWOOD NEWS!

spare time. What parent has not heard the plaintive cry, 'I don't know what to do tonight'.

Where am I going with this? Well what I would like to achieve is feedback from as many residents as possible who feel that they can contribute in a meaningful way; as an organisation that is empowered to represent all of the community it would be a great assistance if we (the Parish Council) were provided with some advice and help in what the community wants as amenities, providing of course they are within our remit. Reminding you of course all amenities come at a price.

Within this article I am not going to list any of the schemes that I'm sure will come up in the feedback. Why? It will be seen as leading the community by some, and meaningful ideas will not rise to the surface. I know many of you will have read something very similar to this before, but as a Parish Council I feel we have to keep trying to gel the residents together to form a cohesive community who feel that they belong.

Thanks for taking the time to read this article. If you feel you have any ideas or wish certain types of facilities were available in the village for either young or more experienced residents, please let me know. I cannot promise that what you aspire to will come to fruition, but we must try for the sake of our community and our children.

PALLANCE ROAD, TRAFFIC MANAGEMENT MEASURES

(Keith Clatworthy Tel: 01983 296635)

In my capacity as a Northwood Parish Councillor I have been approached by a number of parishioners regarding the placement and suitability of the Traffic Management measures currently in place at the top end of Pallance Road.

The main area of concern was regarding the pinch point. It has been questioned if the pinch point was required and doubts have been cast as to its effectiveness in achieving the purpose for which it was initially installed.

Additionally, comments have been made about the double yellow lines and whether or not they are too restrictive.

In order to judge how widely these feelings are held and to enable the Parish Council to gain a more comprehensive view of what local residents think about this subject, I would like to invite you to contact me before the end of July to express your views on this matter. It would also be helpful if you could indicate where you live and how frequently you use Pallance Road. Thank you.

FUTURE MEETINGS

The next meetings are currently scheduled for:

Tuesday 6th July 2010 - Full Council

Tuesday 20th July 2010 - Planning Committee

There is no Full Council meeting planned for August, and the Planning Committee will only be called if applications are submitted.

Meetings are held in Northwood Primary School Hall and start at 6.30pm. Confirmation that any meeting is proceeding as scheduled may be obtained from the Clerk - contact details above, page 4.

NORTHWOOD PRIMARY SCHOOL

We are gearing up for another busy end of the school year here at Northwood School. We have begun rehearsals for the end of term production which will take place at Medina Theatre on Monday 19th July. Tickets will be available from the school office closer to the date.

Our London pen friends are making their annual visit in June.

We have numerous sporting fixtures and summer events to enjoy too. We will be holding our annual whole school barbecue in September this year so that we can welcome new parents and their children to Northwood.

We are taking up the very kind offer of an allotment plot, made by Mr Coventry (a past parent). I have been along to view the plot and look forward to every class being involved in growing produce next year.

I shall be handing over to the new Headteacher **Ms Sarah Hussey** in September and I will be returning to my role as a class teacher. I would like to say a personal thank you to all the kind volunteers in the local community who have responded to my requests over the last three years.

I hope everyone has a peaceful and relaxing summer!

Best wishes

Gill Miles, Acting Headteacher

NORTHWOOD COMMUNITY PARTNERSHIP REPORT

(Eileen Turner-Palmerton, Secretary)

The village has been planted with the summer bedding and thanks to the rain recently, they have started to flower. On the subject of water for the plants, we have had three residents who have kindly offered to water some of the troughs in Nodes Road. Another resident has made water available from his house for watering. The Community Partnership is very grateful to all of them for their help.

During this year's Isle of Wight Walking Festival, thanks to Paul Fuller and Jacquie Pearce, 39 walkers were guided round the Northwood Village Trail. Nearly £70.00 was raised for the Partnership funds, which will go towards other projects, for the benefit of all residents and visitors in the village. Hopefully the Trail will be included in future years.

When you receive this edition, the Residents Event will have taken place. Hopefully those who attended enjoyed themselves. A full report will be in the next edition of the Northwood News.

Northwood in Bloom – during July and the beginning of August, as in past years, Committee members will be touring the Village to look at front gardens, pots and hanging baskets. The results of which will be announced at the Northwood Village Produce Show on 14th August.

The next meeting of the Partnership will be held on

Tuesday July 27th 2010 at 7.45pm
in the W.I. Hall, Northwood.

All are very welcome to attend.

I'm writing this as the Isle of Wight Festival gets underway. Out of interest I watched the beginning of ITV's transmission of what will be ten hours of live music from the festival. "Getting ready to rock" was this week's County Press headline. The TV broadcast showed not only the band (The Doves) but the crowd, who were more swaying than rocking, but who were clearly enjoying themselves. There are different sorts of musical events - festivals, concerts, operas, shows etc. Music is available in many forms for listening - CDs, iPods, Walkmans (do I date myself?), radio, television etc. Many people old and young make their own music be it in groups or solo, with and without instruments. As we go about our daily lives we can often hear a person humming, singing or whistling. I was in one of Newport's stores recently and the lady assistant by the fitting rooms was quietly singing to herself. She clearly enjoyed being able to do so. It doesn't take rocket science to realise that music plays a large part in our lives.

Most faiths have music, accompanied by instruments or otherwise, as part of their worship. In the Christian faith, with which I am most familiar, there are probably as many different forms of music as there are church traditions. All however, seek to enable people to express their feelings to God. Such feelings may not just be worship; we can express sorrows and joys in music. In the Bible there are a number of places where individuals or groups express themselves in song. The book of Psalms (not all written by David) is possibly the most well-known place to look for such songs. One hundred and fifty chapters cover so many aspects of the feelings and emotions we have. Probably the most well-known psalm is Psalm 23.

It is interesting to discuss with people their likes and dislikes in music, whether sacred or secular. Some are fairly fixed in their views, others are more flexible and like to hear and try alternatives. The composer Bach would use some of his sacred music for his other compositions and William Booth is supposed to have asked why the devil should have all the best tunes. I take the view that God has given us music to enjoy in whatever way gives us pleasure - perhaps you might like to let me know your own choice or choices.

I don't know about you but I confess I enjoy singing. I don't always know the words in my "repertoire" so I wouldn't be any good at Karaoke. However, I take encouragement from Psalm 100 whose early verses say "Make a joyful noise to the Lord all the earth. Worship the Lord with gladness; come into his presence with singing."

God's blessings on all of you.
