PARISH COUNCIL ROUND-UP

News from the June meeting of Northwood Parish Council.

The clerk advised that the closing date for ten residents to call for an election to take place, had passed. The required number had not been received therefore the process to co-opt could proceed. It was agreed to set the closing date for applications as June 28th, enabling appointment at the July meeting.

Councillors were informed that Mr Colin Cramp had tendered his resignation recently. Again the same process had to be followed.

The clerk was instructed to write thanking the two ex-councillors for their past service.

The following planning applications were considered:

TCP/30564 2 Horseshoe Close, Northwood - Householder Application Single storey extension on front/side elevation to provide additional living accommodation and lobby. No objection was raised.

TCP/30317 61 Pallance Road, Northwood – Demolition of dwelling erection of new detached dwelling, no objections were raised.

The following decisions taken by the Local Planning Authority since the last meeting of the Planning Committee were noted:

i. AGN/10723/L for a polytunnel at Lower Luton Farm, Pallance Lane – These proposals were unable to be considered in accordance with the criteria established under Part 6 of the Town and Country Planning (General Permitted Development) Order 1995 and had therefore been rejected. Formal Planning Permission would need to be applied for.

ii. TCP/25625/C 36 Coronation Avenue, Cowes, Isle of Wight, PO31 8PN – Planning Permission granted for the demolition of conservatory; proposed single storey rear extension to form additional living accommodation.

iii. TCP/28535/B 28 Pallance Road, Cowes, PO31 8LN – Planning Permission granted for alterations; single storey rear extension; conservatory; new roof to provide additional living accommodation within roof space (revised plans).

Purchases of New Seats

The clerk referred to an email she had received from Hayley Williams advising that over £1,000 had been raised from the Race Night. The clerk had met with Ms Williams and been informed of the plans to now purchase two seats, one to be placed on the play park and the other in the school grounds. Confirmation that the seat had been ordered and the anticipated timescale was still awaited. It was decided to put the matter on the agenda for the July meeting.

Future Building Plans

Councillors were drawn to the letter from local resident, Ms J Pearce, which referred to articles in the Times' *Bricks and Mortar* section on April 1st. These suggested how the Government's planned legislation would give property developers almost *carte blanche* to destroy green fields and open spaces. Ms Pearce had urged Mr Turner to try and persuade the Government to have a rethink, to enable people to protect their home environment.

During the debate it became apparent that not all councillors were supportive of the entire contents of the letter. It was suggested that some of Ms Pearce's views were misplaced and the articles also speculative. The IW Council, as the Local Planning Authority, did safeguard the concept of the Island being maintained as a rural area through the development of the Island Plan and other policies and procedures. There was a shortage of affordable housing, but it was erroneous to suggest that mainlanders would be able to queue-jump over either local people or those with an Island connection. The building of approximately 500 homes per year had been constant for a number of years. However, it was important that these should be built on brownfield sites, not greenfield areas. Following discussion it was agreed that the letter from Ms Pearce to Andrew Turner be endorsed.

Venner Avenue Play Park

Councillors were advised that the IW Council's Parks officer, Mr Andrew McIntyre had, last year, suggested that the football pitch at the Venner Avenue Play Park should not be played on during the winter period. This would allow the grass to recover or else the area would be ruined. Unfortunately his advice was overruled and his comments were now justified by the poor condition of the pitch. Although the IW Council were the landowners, councillors proposed that

Please tell our advertisers that you saw them in NORTHWOOD NEWS!

investigations be undertaken regarding the feasibility of obtaining funding to enable an all-weather surface to be laid. Due to the heavy usage of this area the top soil was gradually being eroded leaving behind a rather stony area, which could cause health and safety issues. It was decided the clerk make contact with Mr A McIntyre, the IW Council's Parks Officer to ascertain his views on the laying of an all-weather surface on the football pitch at the Venner Avenue Play Park.

Traffic and Transport Issues Working Party

Mention was made of an email from Andy Morris, the IW Council's Traffic Manager to Rusty Adams, the contact for the local Community Bus scheme. This referred to the receipt of a slightly amended version of the original application, which had been sent under private cover to Mr Morris. Members of the Cowes, Northwood and Gurnard forum had rejected the second application, confirming their support for the original version put forward. Cllr Mazillius provided an explanation as to how the second application had arisen and expressed his disappointment that a private matter had been made public. The misunderstanding would not however delay the submission. The application comprised one bid for the use of two buses.

The representatives of the three parish councils on the vetting panel for the volunteer driver processing were noted. Cowes Town Council had still to confirm in writing the name of their representative.

Northwood in Bloom Working Party

The planters/tubs had been cleared and all replanted with the summer plants obtained from Ryde House Nurseries. The cost of £152.50 left a credit of £147.50 to be used later in the year. The best of the removed plants had been donated to the Northwood Primary school Gardening Club. Thanks were expressed to the Working Party for a good job done.

Wards Copse Working Party

An article on this had appeared in the edition of Northwood News for June. Cllr Fuller had discussed this issue with the partner of an owner of part of the Wards Copse. They had indicated that they did not support the involvement of the Parish Council. The Working Party would continue to investigate options for the future potential management of Wards Copse.

Safer Neighbourhood Report for Northwood

Although another month has passed with little reported crime in the village, I am sorry to report that some sad, sick individual/s thought it was clever to destroy some of the recently planted summer flowers in Nodes Road. The plants were thrown on to the road, and a lot could not be saved.

The working party of volunteers of Northwood in Bloom work hard to keep our village looking nice. Mindless vandalism like this can start to make us wonder if it is worth continuing. BUT WE WILL.

I have a supply of *No Cold Calling* window stickers, paid for by the Parish Council, if anybody needs one.

Ring **01983 281250** if you need a Sticker or the Black and Green recycling bins.

Do not forget Crimestoppers on **0800 555 111**. You do not need to identify yourselves and the calls are not recorded.

AND NOW IT'S OUT WITH THE OLD ...

May I thank everyone who has been involved in helping me produce Northwood News for nearly twenty years (except for a two-year break); there are far too many people to mention individually, but you all know who you are, so thank you very much to every single one of you for all your help. It has been a privilege to meet so many lovely warm people in what can sometimes appear to be a rather cold and uncaring world. Not so in Northwood Parish. I hope Sara Truckel will derive as much pleasure as I have over the years. Carry on Sara!

NORTHWOOD COMMUNITY PARTNERSHIP REPORT

(Eileen Turner-Palmerton, Secretary)

After the 'cashing up' process from the Royal Wedding Party, we are delighted to announce that a sum of £92 has been donated to our village Scout Group funds. A further amount is to be held over to assist next year's Royal Jubilee Event.

At the last Partnership Meeting, it was agreed that there were still enough funds to sponsor our 'Northwood Village in Bloom'. As ever, this is probably the only competition where there is no application to fill in. The 'Northwood Gnomes' will just wander around and make their recommendations. Not the easiest of jobs given that there are so many wonderful gardens from which to choose winners.

The village planters are now, as promised, filled with summer plants. Thanks are offered to the Northwood Parish Councillors and local residents who took on this task on our behalf.

It is however, sad to report that there has been criminal damage caused to some of the planters in Nodes Road. Our village is well known for its floral displays and this behaviour is not welcomed by any of us. If you have any information regarding these actions, please contact the police by 'phoning 101.

As promised, there is a coach trip to Ventnor Botanical Gardens for all. See below for details. This will be a great outing mostly funded by our recent grant from the Cooperative Society. As a consequence the next Residents Event is on Wednesday 17th August at the W.I. Hall, from 2.30 - 4.30pm.

Finally, a reminder that the next Partnership meeting will be on Tuesday 26th July then on Tuesday 27th September. Both meetings at the W.I. Hall, commencing at 7.45pm.

A GREAT DAY OUT!

The Rev'd Keith Adlam
Associate Priest

c/o The Rectory, Chawton Lane, Northwood

I have subscribed to "Navy News" for many years now. In the June issue there was a picture of HM Submarine Tireless returning to Plymouth after a ten-month deployment, which is the longest submarine deployment for ten years. The article, about nine column inches in all, centred on the boat and some of the things it had done since leaving Plymouth on July 9th 2010. However, in a small part of the picture can be seen the tug used to manoeuvre the submarine into the dock. The name of the tug was "Faithful." This vessel wasn't referred to in the article, nor was there any reason to do so, yet I thought to myself that it was playing a key role in getting the submarine to its final destination.

In our lives there are many people who are like that tug; they act as our faithful helpers, often avoiding the limelight yet pleased to be there when needed. They are dependable and can be called on at those crucial times in our lives when support is required, perhaps in times of crisis when we don't know to whom we can go, someone to share a particular joy or sorrow, a listening ear maybe. In all of this they are there. Such people are in the literal sense a "God-send," that is knowingly or (mostly) unknowingly they are used by God in his goodness to be his presence. In the Bible we read that new every morning, great is God's faithfulness. He shows it in a number of ways and one of his ways is through people such as the readers of this article.

The article was headlined "Tireless by name – and nature" which can be used as a gentle reminder to us that God never tires or gets weary in his faithfulness.

God's continued blessings on all of you.

MOVING ON

Over the last 4 years we've been privileged to have in our parishes The Rev'd Keith Adlam serving as our Associate Priest, his wife Joan providing pastoral support and hospitality and Lay Minister Rita Goddard leading worship, preaching and teaching. This is a short summary of all that they have done, words aren't enough to express all that they have given to us. Singly and collectively they have been gifts to us and now God is asking us to pass their gifts on to others.

So with gratitude for their ministries and prayers for them I tell you that the Bishop has appointed Keith as Priest in Charge of St John the Evangelist, Wroxall; he and Joan will be moving on to Wroxall in mid-late August. Rita is also moving and will be licensed as a Lay Minister in Wroxall. Please remember Keith, Joan and Rita in your prayers as they prepare for the move to Wroxall.

Please pray also for our parishes as we think about what God is asking of us at this time and how we may continue to move forward in building a God focused world.
