Planning Application - Wind Turbines, Parkhurst Forest

Copies of two letters objecting to the proposal and an email from the applicant enclosing the result of the questionnaire distributed at two recent exhibitions, were circulated to councillors.

The clerk advised that, prior to the meeting, three members of the public had submitted requests to speak, so to highlight their objections to the application, each focussing on a different aspect of their concern.

Mrs M Whitehurst addressed the Parish Council setting out, in her opinion, the detrimental effects the application could have on wildlife inhabiting Parkhurst Forest.

Mr R Scott centred his concerns on the perceived blight on residential amenity. The proposed two turbines, due to their overwhelming close proximity to neighbouring properties could cause significant visual intrusion.

Dr J Yelland, spoke on technical issues, suggesting unacceptable noise levels and shadow flicker should the application be granted. Comparisons were also made to a wind energy development in North Devon, which Dr Yelland had visited. An extract from the British Medical Journal on Wind Turbine Noise, was tabled for information.

Three further members of the public spoke, highlighting their additional concerns to the application.

Cllr Mazillius confirmed that although he was the local member for the adjacent ward, he had been granted permission to speak on this matter when it came before the IWC's Planning Committee, as a number of his constituents could be affected by this proposal.

The Council decided, due to the scale and size of the proposal, in such close proximity to residential properties, councillors were unanimous in their view that this would have a severe impact on residential amenity and cause significant visual intrusion. Concern was also expressed with regard to the potential damaging environmental impact, the detrimental effect on the diverse wildlife inhabiting Parkhurst forest and the likely unacceptable level of noise and shadow flicker, they therefore recommended that the application be refused planning permission.

Request for Meeting with Highways Department

Councillors expressed their disappointment that Mr Hayward had not considered the Parish Council's concern of sufficient merit to justify allocating officer time to attend the day's meeting. Although Mr Hayward had provided a response to the questions raised, it was councillors' view that an exchange, face to face, would enable satisfactory conclusion to be reached. It was therefore suggested for Cllrs Fuller, Riddet and Ferris to meet informally in the first instance, prior to contacting Mr Hayward to suggest a joint meeting at Enterprise House, at a mutually convenient time.

'Northwood In Bloom' Working Party

Cllr Pullen expressed his thanks to members of the Community Partnership and other volunteers who assisted in the clearing of the tubs/planters and then the planting out of the summer bedding. The preferred contractor had commenced the watering of the plants, which would be undertaken on a Monday and a Thursday, for an 18 week period. Measures had been taken for the damaged planter in Nodes Road, to be repaired. Councillors thanked Cllr Pullen for all his hard work, to ensure what would be a colourful display around the village.

Parish Plan Update Working Party

Mr Peter Griffiths, Principal Planning Officer – Housing of the IW Council had met with Cllrs Bentley and Pullen to tour all the sites in Northwood identified in the Strategic Housing Land Availability Assessment (SHLAA). At the Jubilee Garden Party, which took place last month a map depicting all of the sites was displayed enabling residents to put forward their comments/suggestions on potential future housing in Northwood. That formed the first element in the production of a comprehensive Housing Needs Survey. Cllr Bentley produced a questionnaire, tailored specifically for Northwood, based on the Guide set out in the document 'Local Development, Island Needs', produced by the IW Council.

Safer Neighbourhood Report for Northwood

Twelve calls to the police had been received in the last month for a variety of incidents, resulting in two crimes and one road traffic offence with the following:

One drugs offence resulting in four people from the Northwood area being arrested. (the investigation is still on-going)

Theft of personal property from the Horseshoe Inn

An uninsured vehicle belonging to a person from the Shanklin area was stop checked in Oxford Street and was subsequently seized by police for the offence

Some residents in Pallance Road have attached stickers to the green Recycling Bins displaying a large **30** sign. This is an excellent idea and there are indications this has reduced incidents of speeding in the area.

I have a supply of No Cold Calling window stickers, paid for by the Parish Council, if anybody needs one. Ring 281250

Do not forget Crimestoppers on **0800 555 111**. You do not need to identify yourselves and the calls are not recorded.

NORTHWOOD COMMUNITY PARTNERSHIP REPORT

(Eileen Turner-Palmerton, Secretary)

After all the bad weather, especially the rain, at the start of the week, we all were very worried about our Diamond Jubilee celebrations on Saturday 9th June, 2012. However, we did not have to get our wellies and sou'westers out after all. The sun shone and everyone was very happy down at the Scout Headquarters.

When the young people arrived with their families, they were given free caps or party blowers. After the races they were awarded either a Gold or Silver medal and everyone had a certificate, with their name on, to commemorate the day. These were kindly donated by the Army Cadet Force who also organised the races and games. They were kept very busy with camouflage face painting, acting as the Arena party and gate marshals.

There was a bouncy castle, a wonderful Punch & Judy Show and a magic show. Throughout the afternoon the Scouts were on hand to assist with the gate and many other tasks.

Throughout the afternoon there were many displays from Northwood Church, Village Produce Association, with their 'guess the cake weight' and the Floral Art Group, who also held a competition for the children. The Brownies had a colouring competition. The Army Cadets even found time to have their work on display.

Many people were surprised to see a Prison Van on site, but were pleased that no one was being 'placed in the cells'. Also of great interest was the tank on display, courtesy of the Military Museum.

Our ladies from Northwood and Medham W.I.s had been very busy during the week making wonderful cakes for refreshments. The scouts had fun selling ice-cream and cold drinks.

Thanks to Barclays Bank and the 'cooking staff' no event would be complete without the smell of the BBQ, making you feel hungry.

Our very grateful thanks go to our sponsors, Marks & Spencer, Sainsbury's Cowes, Hamilton's Fine Foods, Military Museum and many others for supporting us.

Many thanks are also due to all the organisations for their hard work to make the day an enjoyable time.

Most of all, thanks to all who attended, because without you, the event would not have been so successful.

What Northwood church means to me

It is with great pleasure that I have been asked to write about the young people in our village and particularly about our Scouting and Girlguiding groups.

In Northwood we are lucky to have a thriving Scout group with Beaver, Cub and Scout sections for boys and girls aged from six years. There is also a Brownie pack for girls aged seven to ten years. The leaders and supporters are unpaid volunteers, who are trained and police checked, to ensure the young members not only have fun, but also stay safe.

We are delighted to have the Scout Hut and field in Wyatts Lane, which were both donated many years ago and are a wonderful village asset. They are used by other groups as well as Island Scouting and Girlguiding members. Older people reading this might think of their own childhood experiences and think maybe scouts and guides are rather old fashioned – not so – many traditions are still there, but alongside the knots and woodcraft you will find computers, kayaking, the opportunity to learn many other skills and to travel abroad and meet others from all over the world. Most importantly, the chance to make friends, some of whom will be with you for life.

We hear often in the media of teenagers who complain they have no opportunities and nothing to do. I recently saw a line on Facebook which I feel sums it up 'God gives the birds their food but He doesn't throw it into their nests'.

In other words, the chances are 'out there', you just have to look for them.

Scouting and guiding can offer more than you might realise – you may be surprised what we get up to!

Some people might say the heart of a village is its church, others might say it is the local school, shop or even the pub. All these things are important but I feel that it's the people and how they work and spend leisure time together that really matter. In June communities all around the country are holding events to celebrate the Queen's Diamond Jubilee and Northwood is no exception, a party is going to be held at the Scout Hut, organised by the Community Partnership (alongside other clubs and groups around Northwood) and everyone is welcome to come along for a fun afternoon.

If you would like to know more about Scouts or Guides, or if you have a skill you could share or would consider helping out please contact any of the leaders or hut committee members.

Asphalt Plan Protest Group

(WRAP) Wight Residents Against Asphalt Plant has been formed to stop plans by Eurovia the winning PFI bidder to build an asphalt plant next to Medina Wharf, Arctic Road. Residents are concerned about the impact of noise, dust, smoke, pollution and increased heavy traffic along the Newport Road. Between 400 and 500 objections have already been lodged with the planning authorities. Contact wrapmedina@live.co.uk or Facebook page www.facebook.com/WRAP.medina.

Please note: The views of WRAP are not necessarily the views of Northwood News.

A BUSY YEAR

This edition of Northwood News has been a milestone for me as I have now been editing the publication for a full year. Through the magazine I have met (although sometimes only via email) some lovely local people and got to find out about some truly wonderful local groups. Northwood is a wonderful and beautiful place to live and our local community quite rightly seems very proud of the village. Although some months it can be a struggle getting Northwood News ready for print on time (juggling a job, a family and a business!), I enjoy connecting with you all and feel proud to be part of life in this fabulous village.
