JUNE LETTER

From our clergy

Hello there!

In last year's June Parish Mag I said that this was a quiet month for the church and as I wrote this year's letter I pondered if it was a quiet month in general.....after a few minutes on the internet I soon found out that it actually is a really significant month for the world as a whole. There are naturally many birthdays with Marilyn Monroe, Jacques Cousteau, Anne Frank, Stan Laurel and Prince William being the most notable ones. Other keys things that happened were the first color TV broadcast happened in the US in 1953, Charles Duryea patented a gasoline powered automobile in 1895, the donut was invented in 1847, [Robert F. Kennedy](#) was shot and mortally wounded while leaving the Hotel Ambassador in Los Angeles in 1968, The Duke of Windsor married Wallis Simpson in 1937 and most notable in my living memory, the massacre of protesters in Tiananmen Square, Beijing in 1989 and the return of Hong Kong to Chinese rule in 1997.

However what shocked me the most, as an ex-Military Officer, was that so many significant military days happened in June – the Battle of Waterloo in 1815, in 1939 WW1 was initiated with the assassination of Archduke Francis Ferdinand, Crown Prince of Austria and his wife and 5 years later, again in June, the signing of the Treaty of Versailles formally ended the same Great War. And then there was the momentous D Day Landings in 1944....the largest amphibious landing in history, involving 1,527,000 soldiers, 4,400 ships and landing craft, and 11,000 aircraft. By the end of the day 150,000 Allied soldiers had landed with 15,000 killed and wounded. There are many commemorative events happening this year for the centenary of WWI and similarly for the 70th Anniversary of this pivotal event in WWII and so there are many reason to be patriotic in the best sense (and that's before we start talking about the Football World Cup!) this June!

The world has seen so much heartache, too much in my eyes, of people suffering in their own countries because of their leaders 'patriotism' to their country, cause, tribe, religion or state. It seems the world has turned on its head since the two World Wars – no longer does the world work together to right the wrongs: countries only get involved if it is beneficial for them. And our society has also gone that way too – how many of us have turned a blind eye to bad behaviour or poor language we have witnessed or heard, because we just don't want to get involved. Now I know we have to take out personal safety seriously, but we should at least try and do something.

Please tell our advertisers that you saw them in **NORTHWOOD NEWS!**

The 'younger' readers (I'm in denial of turning 40 this month!) of this magazine will know of a pop singer called Heather Small who released a song in 2000 called 'What have you done today to make you feel proud?' – its title line is used regularly in the sitcom Miranda by her childhood friend Stevie (complete with a Heather Small mask!).....I am singing the song as I am typing! So I am going to set you all a challenge – try and do something good each day! So if I approach you and sing 'What have you done today to make you feel proud?' you would be able to give me a great answer....but don't worry, it doesn't have to be something huge, just something that makes a difference to someone – saying hello to the neighbour you have never spoken to, ringing 'Great Auntie Betty' who just never stops moaning to see how she is, buying some flowers for your Mum/wife/daughter, cooking a great unhealthy steak for your Dad/husband/son, smiling at your strict boss....anything to make this world a better place.

With so many, many men dying for us over a hundred years ago to give us the freedom to do just this, surely we should honour their memory and do the best we can!

With every blessing for a proud and life changing month!

NORTHWOOD COMMUNITY PARTNERSHIP REPORT

(Eileen Turner-Palmerton)

Please tell our advertisers that you saw them in NORTHWOOD NEWS!

As stated in our last report, we had a very interesting and enjoyable visit from Debbie Flux and Angel, from Canine Partners, showing us all how a lovely dog can transform a person's life. Debbie demonstrated how the dogs are trained to do many, many things, such as unload the washing machine, get items from a cupboard, take off a person's hat and gloves, bring their shoes to them and many other jobs. It was so lovely to be able to make a fuss of Angel and she enjoyed every minute. This training takes many months to enable the dog to be of immense help and bring back some form of independence to a person.

At the present moment we are waiting to hear if we have been given a grant to enable us to carry on with these events. Hopefully we will have some news in the near future.

PARISH COUNCIL NEWS

Cllr John Pullin was re-elected as Chairman, and Cllr. Chris Riddet as Vice Chairman, at the Annual meeting of the Council. Malcolm Nicholson of Nodes Rd, was co-opted onto the Council.

POLICE REPORT

In the absence of a representative from the Local Safety Neighbourhood (LSN) team, the clerk circulated a copy of the police report she had received.

Particular mention had been provided with the following, reduction of total crimes by 7% on the previous year, covering the Northwood and Gurnard area combined

Beat surgeries are to be reduced to one per month, on the 2nd Thursday of the month commencing from June 12th, between 6pm – 8pm, at Cowes Police Station. School presentations, ongoing aimed at year groups 5&6.

Speedwatch scheme, ten volunteers from the local community have come forward, it is hoped to expand the scheme to the wider Cowes area in due course.

ISLAND ROADS

The Clerk advised that she had not received a response from Paul Herbert, Managing Director of Island Roads to her letter or to her reminder email. Rebecca Tuck had telephoned apologising for Malcom Smith's non-attendance at the last meeting. Island Roads now considered that the best option was for councillors to attend an Asset Management workshop, when several of the heads of service would be available to take any questions and could provide detailed answers. A further workshop was to be organised, but no details could be currently provided. However, it was noted that an Island Roads representative was due to attend meetings of other local councils. Councillors considered it to be very discourteous of Mr Herbert to not respond. The Clerk was instructed to be rather firm in her approach to request a representative to attend a future meeting and to make contact with Mr Tony Toynton, the IW Council's Contract Manager to seek his assistance.
